CPT Coding - 2 Part Series

Overview and Surgery Changes | February 10, 2010

E&M, Radiology, Path/Lab and Medicine Changes | February 17, 2010

Overview

This two part-audioconference gives an overview of the procedural coding changes for 2010. Follow along in the new code book as we discuss the changes and how they will impact your facility or practice this year.

ICD-10-CM and ICD 10-PCS Overview

March 17, 2010

Overview

The government has published a final date of October 1, 2013 for implementation of ICD-10-CM and ICD-10-PCS. This audioconference will give you an introduction into these new coding systems and will assist you in preparing for training and other necessary items to assure your facility is ready for the changes. This is at a high level for administration, finance, health information management and coding professionals. No prior coding experience is required.

ICD-9-CM Coding Series

Cardiology and Respiratory Diagnosis Coding | April 14, 2010

Coding for Neoplasms | May 19, 2010

Injuries and Poisonings, E Codes | June 16, 2010

Overview

This series will include a detailed review of diagnosis issues and hot topics in key areas. Coding professionals will discuss documentation needs and focus on correct coding utilizing ICD-9-CM rules and official coding guidelines, as well as facility coding policies and auditing topics.
