

Medical Assistant jobs at UI Hospitals and Clinics!

University of Iowa Hospitals and Clinics is looking for skilled Medical Assistants to fill a number of openings. Medical Assistants play an important role in the operations of a successful clinic. We offer a challenging outpatient work environment, one that encourages a variety of patient care activities as well as the related clerical functions. As an employee of UI Hospitals and Clinics, you'll be valued and respected for your contributions, receive a competitive salary and comprehensive benefits package.

Medical Assistants must meet one of the following qualifications:

- Certified or Registered as a Medical Assistant.
- Completion of a recognized (accredited) one year Medical Assistant Program such as:
 - Accreditation by the Accrediting Bureau of Health Education Schools (ABHES) or the Commission on Accreditation of Allied Health Education Programs (CAAHEP).
- A graduate of a health care profession program with a curriculum incorporating the elements of a Medical Assistant program including but not limited to: pathophysiology, psychology, medical terminology, basic pharmacology and medication administration including dose calculation.
