

CMA

OB/GYN Associates of Des Moines, PLC is seeking a full-time CMA to join our practice. This is a great opportunity to work on a team dedicated to providing the best medical care possible. If you like to stay busy and end your day feeling like you've made a difference, this is for you.

Job functions for the CMA position include rooming for a physician, counseling and notifying patients of results as well as other clinical medical office functions. We also have a Float position open, giving you an opportunity to learn many important roles in our office and work with a variety of doctors.

Previous OB/GYN experience is preferred, but will train. Must be detail-oriented and good at multi-tasking.

This is a four-day work week position with no weekends, nights, or holidays. Obstetrical and Gynecological Associates of Des Moines, PLC offers great benefits including generous PTO, excellent medical, dental, and vision insurance and much more!

To apply, please fax resume to (515) 288-2126 or email hfoetisch@obgyndm.com
